Dear Tribal Chair and Health Director:

RE: Notice of Intent to Submit Amendments to Section 1915(c) and Section 1915(b)(4) Home and Community-Based Services Waiver for Children with Serious Emotional Disturbances (SEDW) and Home and Community Based (HCB) Settings Transition Plan for SEDW.

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit amendments to the Section 1915(c) and Section 1915(b)(4) Home and Community-Based (HCB) Services Waiver for Children with Serious Emotional Disturbances (SEDW) to the Centers for Medicare and Medicaid Services.

The purpose of the amendments is to add an adjustor payment to the SEDW. The adjustor payment allows the Community Mental Health Service Programs (CMHSPs) to earn additional federal dollars to partially cover the cost of SEDW services that the CMHSP funded with non-Medicaid resources. If approved, this change will take effect April 1, 2015. MDCH also intends to submit a HCB Settings transition plan along with the amendments to comply with the federal requirements on home and community-based settings. MDCH will notify the Tribes when this transition plan is available for public comment.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Lorna Elliott-Egan, MDCH Liaison to the Michigan Tribes. Lorna can be reached at (517) 373-4963 or via e-mail at Elliott-EganL@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
