Dear Tribal Chair and Health Director:

RE: Notice of Intent to Submit a State Plan Amendment on Cost-Sharing

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment (SPA).

The SPA describes cost-sharing requirements and limitations applicable to the Medicaid population. The SPA will directly impact Native Americans because these cost-sharing requirements and limitations are applied to Native Americans consistent with federal regulations.

Native Americans who are receiving or who have ever received an item or service furnished by an Indian health care provider or through referral under contract services will be exempt from all cost-sharing. However, Native Americans who are eligible for, but have never received, an item or service furnished by an Indian health care provider or through referral under contract services will only be exempt from premiums. Services provided in a Tribal Health Center will be exempt from copayments.

Eligibility for cost-sharing will be determined using the information provided on the Application for Health Coverage. In addition, beneficiaries who are subject to cost-sharing, which may include some Native Americans, are limited in the amount of cost-sharing that may be incurred consistent with federal regulations.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDCH Liaison to the Michigan Tribes. Lorna can be reached at (517) 373-4963 or via e-mail at Elliott-EganL@michigan.gov. **Please provide all input by March 2, 2015.**

In addition, MDCH is offering to set up group or individual meetings for the purposes of consultation in order to discuss this SPA, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDCH appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

A handwritten signature in black ink that reads "Stephen Fitton". The signature is written in a cursive, flowing style.

Stephen Fitton, Director
Medical Services Administration
