Dear Tribal Chair and Health Director:

RE: Coverage of Physician-Administered Injectable Drugs as a Pharmacy Benefit

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment to cover pharmacy claims for certain physician-administered injectable drugs.

This amendment will allow pharmacy providers to be reimbursed for certain injectable drugs for administration in a hospital or outpatient clinic using a rate based on the National Drug Code (NDC). Pharmacy claims for injectable mental health and substance abuse drugs 17 Alpha Hydroxyprogesterone Caproate and Makena will be reimbursable under Michigan Medicaid and the Healthy Michigan Plan. Professional or institutional claims for physician-administered injectable drugs will continue to be covered. Providers, including tribal health clinics, will have the option of submitting claims for these physician-administered injectable drugs as a pharmacy claim, professional claim or institutional claim, as appropriate.

There is no public hearing scheduled for this State Plan Amendment. Input regarding this amendment is highly encouraged and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at 517-373-4963 or via e-mail at Elliott-EganL@michigan.gov. **Please provide all input by June 1, 2015.**

In addition, MDHHS is offering to set up group or individual meetings for the purposes of consultation in order to discuss this amendment, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.
