Dear Tribal Chair and Health Director:

RE: Renewal Applications for Section 1915(b)(4)/(c) Children's Waiver Program (CWP) and Section 1915(b)(4) Children with Serious Emotional Disturbances Waiver (SEDW)

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit applications for the renewal of three waivers.

If approved, the renewed Section 1915(c)/(b)(4) CWP waivers will allow the State to continue to provide Medicaid-funded home and community-based services to children under the age of 18 who have a developmental disability and who are eligible for, and at risk of, placement into an Intermediate Care Facilities for Individuals with Intellectual Disabilities. All essential features of the waivers will remain as currently approved. Under the renewal of these waivers, these services to tribal members will remain the same. Pending approval from the Centers for Medicare and Medicaid Services, the proposed effective date for the renewed waivers is October 1, 2015.

If approved, the Section 1915(b)(4) waiver that operates concurrently with the Section 1915(c) SEDW will allow the State to continue Fee-for-Service selective contracting with the Community Mental Health Services Programs and their contracted agencies. Under the renewal of these waivers, these services to tribal members will remain the same. The effective date for the renewed waiver is October 1, 2015.

There is no public hearing scheduled for these waivers. Input regarding these waivers is highly encouraged, and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at 517-373-4963 or via e-mail at Elliott-EganL@michigan.gov. **Please provide all input by June 1, 2015.**

In addition, MDHHS is offering to set up group or individual meetings for the purposes of consultation in order to discuss these waivers, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.
