## Memorandum

From: Terrie S. Godde, EMS Education Coordinator  
To: All Nationally Registered MFR and EMT  
Re: Transition course for renewal in 2015/2016  
Date: May 15, 2013

This memo will serve as verification that a Michigan licensed Medical First Responder (Emergency Medical Responder) and EMT (Emergency Medical Technician), who is nationally registered and wishes to maintain NREMT status, are exempt from taking a state approved National Registry transition course, due to Michigan's higher education standards and scope of practice.

Please print this memorandum, and present it to National Registry with your renewal in the 2015/2016 renewal cycle.

This memo does not have any continuing education credits attached.

Respectfully;

A handwritten signature in cursive script that reads "Terrie S. Godde".
