

Information Forum

Free for the Public!

- Are you pregnant or planning to have children some day?
- Were you or your child born in Michigan since 1984?
- Are you interested in public health services or medical research?

*Come learn about
Michigan's Newborn
Screening Program
and the
Michigan BioTrust for
Health!*

Tuesday, August 10, 2010

6:30 – 7:30 pm

Northern Michigan University

Physical Education and Instructional Facility (PEIF) Room 241

(next to the Superior Dome)

1401 Presque Isle Ave.

Marquette, Michigan 49855

Join staff from the Department of Community Health and:

- ✓ **Learn why babies are screened**
- ✓ **Learn about using blood spots for research**
- ✓ **Learn how to opt out if you do not want your blood spot sample used by the BioTrust**

Note: The Forum will be held in a building that accommodates mobility-impaired individuals and where accessible parking is available. If you require accommodations for effective participation (interpreter/translator) please call Mary Greco at (517) 373-3772. Hearing impaired callers should contact the Michigan Relay Center at 711 or 800-649-3777 and ask for the number listed above. To ensure availability of the accommodation, please call at least 1 week in advance.
