

CHAMPS NPI Editing for Billing Provider and Rendering/Service Only Provider

Many providers billing within the professional claim format are reporting the same NPI in both the billing provider and rendering provider loops/fields. **THIS IS INCORRECT!!** If you are a rendering/service provider who renders services on behalf of a group, the biller **MUST** report the GROUP NPI (Type 2 NPI) in the billing provider loop. Currently, within the legacy system, rendering/service only providers are incorrectly receiving payment. **THIS WILL NOT HAPPEN WHEN CHAMPS GOES LIVE. PAYMENTS WILL STOP** if the claims continue to be billed incorrectly!!!

Within the professional claim format, providers enrolled as rendering/service only must report the-group NPI of the billing provider (Type 2 NPI) in Loop 2010AA , Segment NM108, Qualifier 85 for electronic claims (or) Field 33a on the CMS 1500 paper claim form. The rendering provider (Type 1 NPI) must to be reported in Loop 2310B, Segment NM108, Qualifier 82 for electronic claims (or) Field 24J on the CMS 1500 paper claim form.

Within the dental claim format, providers enrolled as rendering/service only must report the group NPI of the billing provider (Type 2 NPI) in Loop 2010AA for electronic claims or Field 49 on the ADA 2006 paper claim form. The rendering provider NPI (Type 1 NPI) has to be in Loop 2310B for electronic claims or Field 54 on the ADA 2006 paper form.
