The Health Disparities Reduction and Minority Health Section (HDRMHS) released a Request for Proposal (RFP) on September 16, 2010 open to the sixteen organizations funded under Phase I of the Capacity Building Grant Program. Phase II applicants submitted proposals developed as a result of Phase I planning activities that were focused on implementation and evaluation of sustainable multi-level, evidence-based, community focused initiatives designed to address racial and ethnic minority health inequities in an effort to improve health status.

Seven organizations were awarded funding through the competitive application process to participate in Phase II (Implementation/Evaluation) of the Capacity Building Grant Program. The following seven entities were awarded funding ranging from $30,000 to $55,000 to participate in Phase II of the Capacity Building Grant program.
