Nursing Facilities Billing Co-Insurance Days

Over the last several months, Auditors with the Michigan Department of Community Health (MDCH) have noticed excessive errors on the part of Nursing Facilities billing for co-insurance days. The following information is beneficial for all Nursing Facility billers in reporting co-insurance days on their claims.

When billing Medicare co-insurance days electronically, the 837 must contain the following: Loop 2300 QTY01=CD (this stands for co-insurance days) with the number of co-insurance days in QTY02. If billing paper, report Value Code 82 with the number of co-insurance days in the money field.

The nursing facility's *usual and customary charge* must be reflected as the Room and Board rate on the Medicaid claim and the rate should not vary based on payer source.

A monthly claim can include both co-insurance days and Medicaid days. The number of Service Units recorded for the Room and Board revenue code must reflect the sum of the co-insurance days **and** Medicaid days. Upon payment of the claim, the number of days reflected as co-insurance days will be paid at the co-insurance rate. The remaining Medicaid days (number of co-insurance days subtracted from the total days) will be paid at the nursing facility's Medicaid per diem rate.

Topic Suggestions for the Provider Inquirer:

Do you have a particular billing topic you would like Outreach and Education to address in the next quarterly edition of the Provider Inquirer? If so, submit your suggestion to: provideroutreach@michigan.gov. In the subject line type: Provider Inquirer. Please submit your suggestion(s) at least one month prior to the next edition, Outreach and Education will try to accommodate your suggestion. The Provider Inquirer is released the third month of the quarter (i.e. March, June, September and December).

THE CORNER

Community Health Automated Medicaid Processing System

LET'S GET READY FOR CHAMPS!

The first phase of the CHAMPS project, Provider Enrollment, has been up and running since March 31st, 2008 however there is more to do before other subsystems are up. **The Champs provider enrollment subsystem will not be available 17 days prior to implementing the entire subsystems.** We do not have an exact go live date but we will announce and notify providers through listserv and the MDCH website when that date has been identified.

The following are some helpful tips to make the CHAMPS transaction process smoother.

Few Tips for Getting Ready for the Claims subsystem

- Accessing CHAMPS - Any individuals that want to access CHAMPS must have their own user ID and password. We encourage you to request it now. You will receive a temporary password within 24 hours through your email. You should use your temporary password to access CHAMPS and change your password. Then, subscribe for the CHAMPS application.
- Mode of Claim Submission- Some providers did not choose "Direct Data Entry (DDE)" for Mode of Claim Submission. If you want to access the Claims subsystem you must check DDE as one of your options of submitting claims. You could have more than one option for Mode of Claim Submission.
- Specialty - Please report all specialties that apply to you and your practice through CHAMPS system.

- Associate Rendering provider to Group- All rendering providers must be associated to the groups for which they are rendering services.
 - Within the professional claim format, providers enrolled as rendering/servicing only must report the group NPI of the billing provider (Type 2 NPI) in Loop 2010AA , Segment NM108, Qualifier 85 for electronic claims (or) Field 33a on the CMS 1500 paper claim form. The rendering provider (Type 1 NPI) must be reported in Loop 2310B, Segment NM108, and Qualifier 82 for electronic claims (or) Field 24J on the CMS 1500 paper claim form.
 - Within the dental claim format, providers enrolled as rendering/servicing only must report the group NPI of the billing provider (Type 2 NPI) in Loop 2010AA for electronic claims or Field 49 on the ADA 2006 paper claim form. The rendering provider NPI (Type 1 NPI) has to be in Loop 2310B for electronic claims or Field 54 on the ADA 2006 paper form.

MDCH will put together a series of resources to aid you in the CHAMPS system. A complete list of resources will be at www.michigan.gov/mdch >> CHAMPS.
