

MDCH is excited to announce that Web Based Trainings (WBT) are now available for Providers. These trainings will allow providers to use interactive learning tools to complete CHAMPS training courses. These courses are not required; however, they are an excellent resource for gaining knowledge and understanding on the use of CHAMPS. To access these courses you must have access to Internet Explorer and follow the steps below.

Access the site at <http://learning.mihealth.org/SOLO/>

First time users need to register to access the courses by doing the following:

1. Click on the “First Time User” button

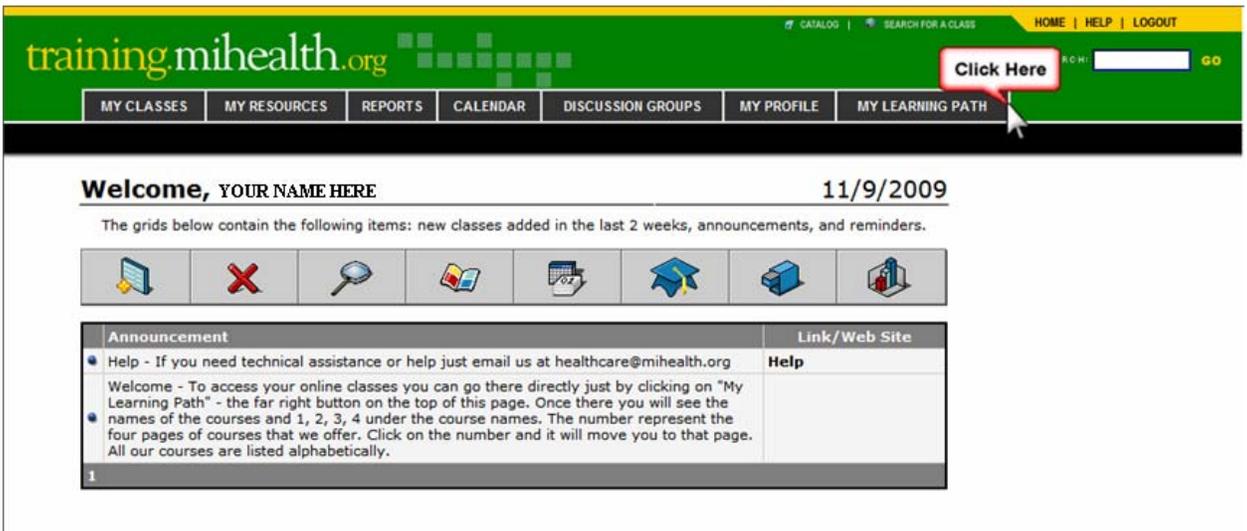

2. Complete the five required fields: User Name, Password, First Name, Last Name, and Email.
3. Click “Register”. The page will refresh and return to the login page.

The image shows a screenshot of the 'SOLO Registration' form in a Microsoft Internet Explorer browser window. The form is titled 'Self Registration' and includes several input fields. On the left side, there are fields for '*User ID:', 'Pwd:', 'Confirm Pwd:', '*First Name:', '*Last Name:', 'Middle Name:', '*Email:', 'Phone:', 'Fax:', and 'SS Number:'. On the right side, there are fields for 'Address:', 'City:', 'State:' (with a dropdown menu set to 'Alabama'), 'Zip:', 'Learning Group:' (with a dropdown menu set to 'All Learning Groups'), 'Organization:', 'Department:', 'Supervisor:', 'Cost Center:', and 'Other:'. At the bottom of the form, there is a 'REGISTER' button and a 'Click Here' button. A red asterisk indicates that the fields marked with an asterisk are required. The browser window title is 'SOLO Registration - Microsoft Internet Explorer'.

4. Enter the User Name and Password you created in step 2.
5. Click the "Go" button. The page will refresh to the home page.

6. Click on the "My Learning Path" tab in the upper right hand corner.

7. A list of all of the courses will display. There will be a number of pages as indicated by the 1,2,3,4 hyperlinks. Click on the page number hyperlinks to navigate through the pages. The Provider Outreach Course will all start with "CHAMPS" to keep them grouped together.

8. Click on the desired course name hyperlink to start the course.
