Opening Remarks by Ms. Kellogg 3
Adjournment. 3

Lansing, Michigan
Thursday, July 14, 2011 - 1:04 p.m.

MS. KELLOGG: Good afternoon. I'm Natalie Kellogg, Departmental Technician to the Certificate of Need Commission from the CON Health Policy Section of the Department of Community Health. Chairperson Chip Falahee has directed the Department to conduct today's hearing.

Please be sure that you have completed the sign-in log. I think I passed it around. Copies of the standards and comment cards can be found on the table over there (indicating) with the sign-in log -- or actually being passed around. A comment card needs to be completed and provided if you wish to give testimony.

The proposed CON Review Standards for Computed Tomography (CT) Services, Magnetic Resonance Imaging (MRI) Services, Megavoltage Radiation Therapy (MRT) Services and Units and Positron Emission Tomography (PET) Scanner Services are being reviewed and modified. Please review the draft language posted on our Web site at www.michigan.gov/con. If you wish to speak on the proposed standards, please provide your comment card to me.

Additionally, if you have written testimony, please provide a copy as well. Just as a reminder, all cellular telephones and pagers need to be turned off or set to vibrate during the meeting.

As indicated on the Notice of Public Hearing, written testimony may be provided to the Department via our Web site at www.michigan.gov/con through Thursday, July 21st, 2011 at 5:00 o'clock p.m.

Today is Thursday, July 14th, 2011. We will begin the hearing by taking testimony on the CT Standards, MRI Standards, MRT Standards and, finally, the PET Standards and will continue until all testimony has been given, at which time we will adjourn.

Does anyone have testimony? Don't be shy. Come on, somebody's got to have something. Well, anybody, testimony?

I'm going to go ahead and adjourn.

(Hearing concluded at 1:07 p.m.)
