

Supplemental Bulletin List

The following is a list of Medicaid policy bulletins issued on and after January 1, 2011 that supplement the online version of the Medicaid Provider Manual. The list is updated as additional policy bulletins are issued. The updated list is posted on the MDCH website along with the Medicaid Provider Manual.

Providers affected by a bulletin should retain it until it is incorporated into the quarterly update of the online version of the manual unless instructed otherwise. Providers using a CD version of the Medicaid Provider Manual should retain all quarterly manual update bulletins, with their attachments, in addition to bulletins issued since the version date of the CD.
