Registration to Single Sign On and Subscription to File Transfer Application.

**Step 1: Registration to Single Sign On (SSO)**
Skip this section if you have already registered for a SSO account.

Open your web browser (Internet Explorer) and copy this URL [https://sso.state.mi.us/](https://sso.state.mi.us/) in the address.

Click the Register button from the State of Michigan Single Sign On portal page. Users must register for a SSO User ID before they can subscribe to applications.

![State of Michigan Single Sign On](image)

Complete the requested information (some items are required *) and click the Continue button. The Single Sign On (SSO) system determines if the user is a State of Michigan (SOM) employee or an external (Internet) user by the email address used for registration. SOM employees must use their @michigan.gov email address.

**NOTE:** Users who have been assigned a State of Michigan email address must use this address to register.
State of Michigan employees will receive their conformation screen, click the Submit button and you have completed the registration process.

Non State of Michigan employees must create a unique UserID.

Enter data in the required fields. Click the Continue Button.
Note: State of Michigan employees will not see this screen.

State of Michigan Single Sign On

REGISTRATION- Step 2

Please Enter a four digit number to create a unique UserID: [input field]
(OR)
Please generate a random four digit number for me: [Yes/No]

Enter the number as it is shown in the box below: [input field]

Back  Continue  Clear

Enter: 48275

The user can enter a four-digit number to add to their UserID or the system can create one for them. The number presented in the blue outlined box on the bottom of the form is to protect our system from being flooded with UserID requests.

Users must type this number in the white box directly above. Click the Continue button. The system displays the User Registration Confirmation page. The data that the new user entered displays so that the new user can review it before sending it to the SSO system. If there are corrections, click the Back button. If the information is correct, click the Submit Button.

State of Michigan Single Sign On

USER REGISTRATION CONFIRMATION

Please review the following information. Click Submit

First Name: [input field]
Initial: [input field]
Last Name: [input field]
Email Address: [input field]
Your UserID will be: [input field]

Back  Submit

This completes the registration. The user will receive an Email with the UserID and a temporary password.
Once the email is received login to SSO.

The temporary password will expire and the system will prompt the user to change the password.

Enter data in the password fields. Click the Change Password button.
The system displays to the user the Challenge/Response Answers screen. Answer the six questions (and confirm these answers). This will allow the user to reset their passwords (if the password is forgotten) in the future by answering these questions.

Enter data in the fields and click the OK button.

Click the OK button.
Click the Done button.

The system will display the State of Michigan Single Sign On portal page.
