

Companies Providing Personnel Radiation Monitoring Services

<p>Atomic Energy Industrial Laboratory 9315 Kirby Drive Houston, TX 77054-2516 Telephone: (877) 866-2345 www.aeil.com</p>	<p>CHP Dosimetry 305 Cumberland View Road Clinton, TN 37716 Toll Free Telephone: (888) 766-4833 www.chpdosimetry.com</p>
<p>Radiation Detection Company 3527 Snead Drive Georgetown, TX 78626 Telephone: (800) 250-3314 www.radetco.com</p>	<p>Landauer, Inc. 2 Science Road Glenwood, IL 60425-1586 Telephone: (800) 323-8830 www.landauerinc.com</p>
<p>MP Dosimetry Suite 100 3 Hutton Centre Drive Santa Ana, CA 92707 Telephone: (800) 633-1352 x 2710 www.mpdosimetry.com</p>	<p>PL Medical Company, LLC 117 West Dudley Town Road Bloomfield, CT 06002 Telephone: (800) 874-0120 www.plmedical.com</p>
<p>Troxler Radiation Monitoring Services Division of Troxler Electronic Laboratories, Inc. 3008 East Cornwallis Road Research Triangle Park, NC 27709 Telephone: (877) 876-9537 www.troxlerlabs.com/</p>	

The companies listed on this sheet process personnel dosimeters in laboratories accredited by the National Institute of Standards and Technology through the National Voluntary Laboratory Accreditation Program (NVLAP).

This list is not intended as an endorsement of any of these companies. It is provided upon request to Michigan registrants. Other accredited companies may exist which do not appear on this list, and any information regarding them is invited.

See Michigan's *Ionizing Radiation Rules Governing the Use of Radiation Machines* for personnel monitoring and record keeping requirements.
