Please make sure before submitting your claim, eligibility is updated to show the LOC as hospice (16) or the provider listed on the LOC is current or valid.

Only 10 units can be billed for HCPC 99307 per month.

Revenue Code 0657 requires HCPC code.

If your claim is currently suspended in CHAMPS, please do not resubmit another claim as this will increase our backlog and the length of time it takes to resolve your initial claim.

If a claim was previously paid (even if \$0.00 approved) the provider needs to file a claim replacement. If an adjustment is not done the system will reject the new claim as a duplicate of a previously paid claim.
