Amar Almaklani
Karen Jonas, Michigan Pharmacists Association
Jan Hili-Nix, Meijer
Jim Murray, S & N
William Cove
Max Hoffman, Attorney
Kathy Page

INTRODUCTIONS

Ramsdell reported that the Governor's office is working to fill the Board's member vacancies and the Department is hopeful that will be accomplished by the August meeting.

APPROVAL OF MINUTES

MOTION by Shaw, seconded by Carlson, to approve the April 8, 2009 meeting minutes as presented.

MOTION PREVAILED

APPROVAL OF AGENDA

MOTION by Farida, seconded by Shaw, to approve the agenda with the following addition:

Under New Business, add C. MPJE Item Writing Assignment and under Regulatory Considerations, add B. Remy U. Onimoe, R.Ph. – Amended Proposal for Decision.

MOTION PREVAILED

COMMITTEE REPORTS

Rules Committee

Schmidt advised that the committee will be working on draft 9 of the rules at today's subcommittee meeting. It is the committee's intention to finish final review at today's meeting and provide the Board with the proposed rules at the August meeting.

Policy Committee

No report.

Disciplinary Subcommittee

No report.

CE Approval

MOTION by Farida, seconded by Collins, to approve the Continuing Education Review Programs as presented.

MOTION PREVAILED

See Addendum #1 attached hereto.

OLD BUSINESS

NABP Annual Meeting Update

Farida reported that she attended the NABP Annual Meeting May 16-19 in Miami, Florida. She provided the Board with a cursory review of the resolutions which were voted on. Farida indicated that she attended four continuing education sessions: 1) DEA update, specifically as it relates to pseudoephedrine; 2) patient counseling; 3) e-tools (electronic prescribing software); and 4) standardization of technician education. Information from these sessions will be provided to the Board. Bach indicated that he feels the Administrative Rules should be amended to include pseudoephedrine as a controlled substance.

Peer Review Process

Bach directed the Board to the document entitled "Voluntary Reporting of Dispensing Errors to the Michigan Pharmacy Peer Review Organization." He indicated that he met with the Department and it was determined that there is nothing to prohibit the Board from moving forward with the peer review program. Bach explained the process pharmacists would go through under this program when dispensing errors occur. Board discussion was held and various questions were answered. Bach stated that it is the intent of this program to be a proactive approach to reducing dispensing errors. He indicated that the data obtained from this program would be used to create practice models so that pharmacists are being educated, not just disciplined.

MOTION by Shaw, seconded by Schmidt, to move forward with the Voluntary Reporting of Dispensing Errors to the Michigan Pharmacy Peer Review Organization program.

MOTION PREVAILED

NEW BUSINESS

Confirming Valid Patient/Doctor Relationship

Bach suggested that the language from the Resolution regarding valid patient/doctor relationships which was approved at the NABP annual meeting be incorporated into the Administrative Rules. The rules subcommittee will address this topic in future meetings. Ramsdell also indicated that the Department will place this information in the Department's *HealthLink* publication and suggested that the Michigan Pharmacy Association can disseminate the information as well.

Department Update

Ramsdell directed the Board to the Legislative Update information. Discussion was held regarding SB 616 and SB 618 regarding the Medical Marihuana Act. Ramsdell advised that the Department is currently writing an analysis of these bills which will be submitted to the Senate. She advised that the Department will be opposing these bills. There was also discussion regarding HB 4937 which proposes the requirement of utilization of the e-prescribing system for all Michigan licensees who write prescriptions.

Bach congratulated Collins on receiving the Gallery of Distinction award from Florida A&M University, College of Pharmacy and Pharmaceutical Sciences.

MPJE Item Writing Assignment

Collins stated that she attended the recent MPJE Item Writing Workshop held June 4, 5 and 6. She reported that the majority of states send at least two members to these workshops, while Michigan had only one attendee. This year the NABP provided funding for only one representative. Collins also indicated that attendees are now being asked to write 30 questions, where previously the number of questions required was 20. She reviewed the procedure for composing questions and asked that for future workshops, each Board member provide at least two questions for the workshop attendee to take.

REGULATORY CONSIDERATIONS

Kimberly Anne Marshall, R.Ph. – Petition for Reinstatement

MOTION by Farida, seconded by Collins, to grant the Petition for Reinstatement in the matter of Kimberly Anne Marshall, R.Ph.

Discussion was held.

AMENDED MOTION by Farida, seconded by Collins, to deny the Petition for Reinstatement in the matter of Kimberly Anne Marshall, R.Ph.

A roll call vote followed: Yeas: Schmidt, Collins, Farida, Fakhoury, Carlson, Gnodtke, Senneker, Bach

Abstain: Shaw

MOTION PREVAILED

Remy U. Onimoe, R.Ph. – Amended Proposal for Decision

Shaw recused herself from the matter.

MOTION by Farida, seconded by Schmidt, to accept the Amended Proposal for Decision and grant reinstatement in the matter of Remy U. Onimoe, R.Ph.

Discussion was held.

AMENDED MOTION by Farida, seconded by Schmidt, to reject the Amended Proposal for Decision and table for rewrite the matter of Remy U. Onimoe, R.Ph.

A roll call vote followed: Yeas: Farida, Schmidt, Collins, Carlson, Senneker, Gnodtke, Fakhoury, Bach

MOTION PREVAILED

PUBLIC COMMENT

Karen Jonas of the Michigan Pharmacists Association indicated that Greg Baran has been in contact with Michigan legislators to develop a mechanism to expunge certain types of disciplinary records which would assist licensees interested in participating with the Michigan Volunteer Registry. Jonas also stated that discussions with Michigan legislators regarding various pilot projects have been held, but due to the upcoming elections, progress has been slow. Jonas inquired if the Board would be willing to address the issue of the practice of free clinics taking back dispensed medications. She advised that there are situations where medications are being dispensed that are very close to expiring. Jonas also addressed the potential problem that in free clinics there is not a separate location license for each pharmacist who is dispensing.

Neill Sladkin, student at Wayne State University, indicated that the free clinic he has visited receives most of its medications from large retailers or directly from the manufacturer. He stated that if medications being dispensed were due to expire in a short period of time, the patient was clearly advised of the expiration date.

Bach announced that Laura Shaw is completing her last term this month and thanked her for the dedication and professionalism she exhibited during her time of service to the Board of Pharmacy.

Shaw thanked the Board and Department staff for their support during her terms of service and shared that she found the experience to be very rewarding. She also indicated that the NABP District IV seat she has held is currently available. She has agreed to hold that position until a replacement has been found, but encouraged the professional members of the Board to consider becoming involved with District IV issues.

ANNOUNCEMENTS

The next regularly scheduled meeting will be held August 12, 2009 at 9:00 a.m. at the Ottawa Building, 611 West Ottawa Street, Upper Level Conference Center (UL), Conference Room 3, Lansing, Michigan.

ADJOURNMENT

Motion by Schmidt, seconded by Carlson to adjourn the meeting at 10:17 a.m.

David S. Bach, R.Ph., Chairperson
