**NOTE:** It is your responsibility to have all required documentation sent to the Board of Podiatric Medicine & Surgery. Questions regarding your application can be directed to the Michigan Board of Podiatric Medicine & Surgery at (517) 335-0918 three weeks after the date you sent the application. Please allow 6-8 weeks processing time. Applications submitted without the required licensing fee, the applicant's signature and date will be returned.

### **GENERAL INSTRUCTIONS FOR RELICENSURE**

1. Type or print legibly on all forms and send the relicensure and controlled substance applications with the proper fees, to the Board of Podiatric Medicine & Surgery. An application accompanied by the appropriate fee is valid for two years. If an applicant fails to complete the requirements for licensure within two years from the date of filing the application, the application and fee are no longer valid.
2. **Effective October 1, 2008**, all applicants for relicensure of a Michigan health profession license or registration that has been expired for **more** than 3 years are required to submit fingerprints and undergo a criminal background check. Please see the attached instructions. The Michigan Board is not able to accept fingerprints that have been obtained for any other purpose. Your license or registration will **not** be issued until this process is complete.
3. Verification of licensure from any state where you hold or have ever held a permanent podiatry license. A form is enclosed for this purpose and may be copied as needed. As most states charge a fee for this service, you should contact each state board to determine if a fee is required prior to sending them the form for completion. The Verification of Licensure form must be sent to the Michigan Board directly from the state(s) where you are or have been licensed.
4. If your Michigan podiatry license expired **within** the last 3 years, you must send in verification that you have completed 150 hours (with at least 75 of those hours earned in APMA Category 1 or Category 6) of approved continuing education earned within the 3 years immediately preceding your application for relicensure. Additional information about the continuing education requirements for Michigan are available on-line at [www.michigan.gov/healthlicense](http://www.michigan.gov/healthlicense).
5. If your Michigan podiatry license expired **more** than 3 years ago and you are **not** currently licensed in another state, you will be required to pass the NBPME Part III (formerly PMLexis) and jurisprudence examinations. Information about these exams will be sent to you once your relicensure application and fee are received.
