SECTION 1

Introduction to the Summary of Benefits for State of Michigan Medicare-eligible retirees

Medicare Plus Blue Group

January 1, 2009 – December 31, 2009

Hospital and medical coverage for Medicare members

Your State Health Plan PPO coverage continues under the State of Michigan Retiree Medicare Advantage plan called Medicare Plus Blue Group. This plan combines the State Health Plan PPO with Medicare Parts A and B. You will continue to pay your Medicare Part B premium. Blue Cross Blue Shield of Michigan (BCBSM) administers the plan. The Medicare Plus Blue Group plan does not include prescription drug, dental or vision benefits. You will continue to access these benefits using your Express Scripts, Delta Dental or your BCBSM Vision ID card depending on the benefit. If you are enrolled in the Medicare Plus Blue Group plan, your mental health and substance abuse benefits through this plan will be administered by BCBSM.

Eligibility

You will be covered by Medicare Plus Blue Group if you are enrolled in Medicare Part A and Part B. If you become eligible for Medicare on or after January 1, 2009, it is important that you are enrolled in Medicare Part A and Part B coverage in order to continue State Health Plan coverage under the Medicare Plus Blue Group plan. Once you have Medicare Part B coverage, you will be moved to the Medicare Plus Blue Group plan and will receive detailed plan information and a new ID card. Retirees, spouses or dependents who are not Medicare eligible will remain in the State Health Plan PPO. Retirees who are not enrolled in Medicare Part B will continue to be covered under the State Health Plan PPO and will be responsible for the Medicare portion of Part B services. If you are not eligible for Medicare Parts A and B, (e.g., State Police not eligible to participate in Medicare) you will also continue to be covered under the State Health Plan PPO.

SECTION 1

Opting out

You have the option not to take this Medicare Plus Blue Group plan. As a Medicare Beneficiary, you can choose from different Medicare options. For more information, call 1-800-MEDICARE (1-800-633-4227). You can call this number 24 hours a day, 7 days a week. Please be aware that if you decline coverage, everyone on your health care contract (all of your Medicare and non-Medicare-eligible dependents) will also be removed, and WILL NOT have coverage through the State of Michigan's State Health Plan. This means that you will lose your Blue Cross Blue Shield of Michigan coverage. You and your Medicare-eligible dependents will only be covered by Original Medicare.

Out-of-state coverage

The Medicare Plus Blue Group coverage for retirees living out-of-state is the same as retirees living in Michigan. Retirees living out-of-state should seek services from providers who are eligible to participate with Medicare and are willing to accept the Medicare Plus Blue Group terms and conditions of payment. When you go to a doctor or hospital be sure to show them your Medicare Plus Blue Group ID card.

Your Medicare Plus Blue Group ID card

Your Medicare Plus Blue Group identification card identifies your hospital and medical coverage. Each member enrolled in Medicare Plus Blue Group receives a card in his or her own name. Use this card each time you visit your provider instead of your red, white and blue Medicare card. Be sure to retain your Medicare card even though you will not be using it to access services under the Medicare Plus Blue Group plan. Your covered spouse or dependent who is not yet Medicare eligible will continue to use their BCBSM State Health Plan PPO insurance card.

Using Medicare Plus Blue Group providers

The Medicare Plus Blue Group is a private fee-for-service Medicare Advantage plan, which allows you to see any doctor who is eligible to participate with Medicare and is willing to accept the Medicare Plus Blue Group terms and conditions of payment. Referrals are not needed to see a specialist, and there are no network restrictions. If you are seeking medical treatment, simply present your Medicare Plus Blue Group ID card. If the provider agrees to accept the card, then you are only responsible for your deductible or any copay or coinsurance depending upon the service you receive. You should not be billed for the balance between the approved amount and what the provider charged. If you use a provider that does not accept BCBSM's terms and conditions of payment, you will be responsible for payment to the provider. If your provider is not familiar with the terms and conditions of the Medicare Plus Blue Group plan, he or she may call our Provider Services Representatives at 1-866-309-1719 or visit www.bcbsm.com/ma for more information. As always, in a medical emergency, you are covered regardless of where you receive treatment. This includes when traveling within the United States or abroad.

SECTION 3

Your out-of-pocket costs

As a member of Medicare Plus Blue Group, you can use any Medicare doctor, specialist, or hospital that is eligible to participate with Medicare and accepts the terms and conditions of payment of the BCBSM Medicare Plus Blue Group plan. BCBSM has the right to determine if the service or treatment ordered by your health care provider is covered under the Medicare Plus Blue Group plan. This decision is based on your plan design.

You are responsible for your annual deductible, coinsurance and copayments. Your coinsurance and copayments vary according to the services you receive as we have outlined in this benefit summary. The annual deductible in 2009 is \$300 per member per year. This is applied from January 1, 2009, through December 31, 2009. Under the Medicare Plus Blue Group plan, there is not a family deductible.

The following are some examples to show you how the deductible under Medicare Plus Blue Group would apply:

Scenario #1: *Both retiree and spouse are enrolled in the Medicare Plus Blue Group.*

The retiree's deductible is \$200 and the spouse's deductible is \$200 each year.

Scenario #2: *The retiree is enrolled in the Medicare Plus Blue Group. The spouse has the State Health Plan PPO.*

The retiree's deductible is \$200 and the spouse's deductible is \$200 each year.

Scenario #3: *Both the retiree and the spouse are enrolled in Medicare Plus Blue Group. A dependent child is covered under the State Health Plan PPO.*

The retiree's deductible is \$200 and the spouse's deductible is \$200. The deductible for the dependent child is \$200. That results in a total of \$600 for all deductibles each year.

Scenario #4: *Both the retiree and the spouse are enrolled in Medicare Plus Blue Group. There are three additional dependents that are covered under the State Health Plan PPO.*

The retiree's deductible is \$200 and the spouse's deductible is \$200 each year for Medicare Plus Blue Group. Their three dependents are covered as "family" under the State Health Plan PPO, which has a \$400 deductible each year. This results in a total of \$800 for all deductibles each year.

As a member of Medicare Plus Blue Group you have the right to file a grievance. If you have a complaint, we encourage you to call Customer Service at 1-888-322-5557, TTY/TDD 1-800-579-0235, 8:30 a.m. to 5:00 p.m. EST, Monday through Friday. If you wish to file a grievance, contact us in writing at: Medicare Plus Blue Group, Appeal and Grievance Dept. Mail code: X509, 600 E. Lafayette, Detroit, Michigan 48226-2998.

Appeals

As a member of Medicare Plus Blue Group you have the right to file an appeal if you are not satisfied with the outcome of the plan's determination of health care services. An appeal is a request in writing for a reconsideration of health care service or an amount the member pays for service. If the situation requires an urgent response, we can expedite your request. Please call us at 1-888-322-5557, TTY/TTD 1-800-579-0235 from 8:30 a.m. to 5:00 p.m. EST, Monday through Friday, or fax us at 1-877-894-9531, or write to us at Medicare Plus Blue Group, Appeal and Grievance Dept. Terms & agreements

A Medicare Advantage private-fee-for-service plan works differently than a Medicare supplement plan. Your doctor or hospital must agree to accept the plan's terms and conditions of payment prior to providing health care services to you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may not provide health care services to you, except in emergencies. Providers can find the plan's terms and conditions of payment on our Web site at: www.bcbsm.com/ma.

For more information about PFFS plans see Beneficiary Qs&As at CMS's Web site:
<http://www.cms.hhs.gov/PrivateFeeforServicePlans/downloads/benqa.pdf>.

SECTION 3

Please read this important information regarding Medicare Plus Blue Group

As a State of Michigan retiree I understand that:

- BCBSM Medicare Plus Blue Group plan is a Medicare Advantage plan which requires that I keep my Parts A and B.
- I can only be in one Medicare Advantage plan at a time.
- I understand that if I do not have Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future.
- Once I am a member of Medicare Plus Blue Group, I have the right to appeal plan decisions about payment or services if I disagree.
- I will read an Evidence of Coverage document from BCBSM Medicare Plus Blue Group that will provide detailed guidelines I must follow to receive coverage.
- By joining the BCBSM Medicare Plus Blue Group plan, I acknowledge that this Medicare health plan will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations.

If you are opting out of coverage, please read this information about Medigap rights:

If you will be changing to the Original Medicare Plan you might have a special temporary right to buy a Medigap policy, also known as Medicare supplemental insurance, even if you have health problems. For example, if you are age 65 or older and you enrolled in Medicare Part B within the past six months or if you move out of the service area, you may have this special right.

Federal law requires the protections described above. Your state may have laws that provide more Medigap protections. If you have questions about Medigap or any special temporary rights you may have, you should contact your State Health Insurance Program Medicare/Medicaid Assistance Program of Michigan (MMAP) at 1-800-803-7174 to get more information about Medigap policies in your state.

Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week for more information about trial periods.

SECTION 3

What people on Medicare need to know about private-fee-for-service plans

Medicare Plus Blue Group is a Medicare Advantage private-fee-for-service (PFFS) plan authorized by the Centers for Medicare & Medicaid Services (CMS). A PFFS plan is different than Original Medicare or an HMO, PPO, or Medicare supplement plan. With Medicare Plus Blue Group, you are able to choose your health care provider. However, just like with the State Health Plan PPO and Original Medicare, most but not all providers may accept this plan. As with your current health care plan, if you choose this plan, it is important that your providers know that you have Medicare Plus Blue Group coverage before providing services to you. You must show your Medicare Plus Blue Group ID card every time you visit a health care provider because providers have the right to decide if they will accept Medicare Plus Blue Group each time they see you. By agreeing to accept your Medicare Plus Blue Group ID card, your provider is agreeing to accept Medicare Plus Blue Group's terms and conditions of payment for treating you. They will bill Medicare Plus Blue Group for services rendered to you. If a provider does not agree to BCBSM's Medicare Plus Blue Group's terms and conditions of payment, you will need to find another provider that will. You may contact us at Customer Service at 1-888-322-5557 for assistance in locating another provider in your area. If a provider will not accept Medicare Plus Blue Group's terms and conditions of payment, they should not treat you unless it is an emergency. If they choose to provide non-emergency services to you, they may not bill you. They must bill Medicare Plus Blue Group for your covered health care services. All you will have to pay is your copay or coinsurance at the time of service. For more information about PFFS plans, see Beneficiary Q&As at CMS's Web site at: <http://www.cms.hhs.gov/Privatefeeforserviceplans/downloads/benqa.pdf>. If you have questions about BCBSM's Medicare Plus Blue Group, please call our Customer Service at 1-888-322-5557, TTY/TDD 1-800-579-0235.

A Medicare Advantage Private Fee-for-Service plan works differently than your existing plan. Your doctor or hospital is not required to agree to accept the plan's terms and conditions, and thus may choose not to treat you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, or otherwise agree to treat you, you will not be able to receive covered services from them under this plan. Providers can find the plan's terms and conditions on our website at: www.bcbsm.com/ma.

This publication is not a contract, but a brief outline of Blue Cross Blue Shield of Michigan's Medicare Advantage health plan for State of Michigan retirees for 2009. The information provided here does not include all covered and non-covered services or conditions of coverage. Coverage, including deductibles and copays, are subject to change. You always have the right to ask BCBSM to review claims.

BCBSM's contract with the Center for Medicare and Medicaid Services (CMS) is renewed annually and the availability of coverage beyond the end of the current contract year is not guaranteed. We may, at a future date, decide to discontinue integrating health coverage with Medicare Part A or Part B. If this occurs, we will notify you in writing at least 90 days before participation ends. You will not lose Medicare coverage and State Health Plan retiree coverage will continue.
