

Our Focus is your vision

The Clavenna Vision Institute, as a medical practice, was originally established in 1965 in Birmingham, Michigan. The practice has been dedicated to providing the highest quality, professional eye care since that time. We believe in offering complete eye care to all of our patients, from eye exams and glasses to the medical and surgical treatment of various ocular conditions and disease. Both of our doctors are board certified by the American Board of Ophthalmology.

The Clavenna Vision Institute is one of the few offices that offer a variety of state of the art procedures including **LASIK, PRK, CK, cataract surgery, and eyelid surgery.**

Clavenna Vision Institute offers State of Michigan employees the following discounts:

- 30% off Usual and Customary Routine Eye Exams
- 20% off Usual and Customary Contact Lens Fitting and Evaluations
- 30% off Usual and Customary Eye Glasses
- \$400 of Custom Vue Lasik
- \$300 off Standard Lasik or CK

*Any service billable to any insurance plan is not eligible for discount. Some restrictions may apply.
