

Compatibility View for Internet Explorer 10 & 11

Users of Internet Explorer (IE) versions 10 and 11 may experience some issues within Self-Service when not using the compatibility view. Follow the steps below to turn on the Compatibility View.

1. Click on the Tools Menu, then click on 'Compatibility View Settings':

2. Put 'miloginworker.michigan.gov' in the "Add this website" box, then click Add, then Close:

For additional assistance, contact the MI HR Service Center at 877-766-6447 or 711 (for individuals with hearing loss).
