State of Michigan

Retired Employees

Each year, up to 1/5th of the U.S. population gets hit with the flu. On average, 36,000 people die from flu-related sicknesses annually.

The Centers for Disease Control (CDC) recommends that everyone over the age of six months receive a flu vaccine each year. Studies show people who receive the flu vaccine experience fewer overall illnesses and spend less on prescription and over-the-counter medications.

To find a local participating pharmacy, access the link below:

Non-Medicare Eligible Retirees and dependents can log on to https://mp.medimpact.com/som or call customer service at 877-403-6034.

Medicare-Eligible Retirees and dependents can use our Pharmacy Locator tool by logging onto https://www.medicaregenerationrx.com/som or calling Member Services at 1-877-633-7943, 24 hours a day/365 days a year. TTY TTY/TDD users should call 711.

Flu shots are fast, free, effective and available at participating Part B pharmacy network providers.

Protect yourself - Get your FREE flu vaccination today.

Convenience - Five minutes at your local pharmacy can help eliminate the need for flu-related doctor visits or hospitalization.

Save money - Spend less on pharmacy bills and flu-fighting medications.

Safeguard – Prevent the spread of the virus to family members and others.

Long-term protection - A single shot lasts all season, even through the peak flu period of January-March.

No cost – 100% plan coverage means no copay.
