

## Statewide Occupational Health Clinics and Hospitals (09/16/13)

In non-emergency work-related situations, employees must be approved to seek medical treatment from an occupational health clinic. This list is provided for assistance in identifying occupational health clinics in a specific geographic area; this list is neither all-inclusive, nor is it intended to recommend a specific clinic. Your agency, the Civil Service Commission's Disability Management Office (DMO), or the State of Michigan's Workers' Compensation carrier may direct you to a different medical facility.
