MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

PHYSICAL THERAPY AIDE

JOB DESCRIPTION

Employees in this job, under the direction of a registered Physical Therapist or licensed Physician, participate in and oversee the performance of a variety of non-clinical supportive activities involving the administration of routine therapeutic treatments by physical or mechanical methods. The employee uses various equipment and techniques to perform physical therapeutic methods, practices and procedures.

There are four classifications in this job.

Position Code Title – Physical Therapy Aide-E
Physical Therapy Aide 6
This is the entry level. The employee works as a beginning aide receiving on-the-job training, attending structured in-service training programs. Close supervision is provided in performing a range of physical therapy aide assignments.

Physical Therapy Aide 7
This is the intermediate level. The employee works in a developing capacity with increased responsibility for providing a range of physical therapy aide assignments.

Physical Therapy Aide E8
This is the experienced level. The employee performs a full range of physical therapy aide assignments. Judgement is used in making decisions where alternatives are determined by establishing policies and procedures or methods and practices.

Position Code Title – Physical Therapy Aide-A
Physical Therapy Aide 9
This is the advanced level. The employee serves as a lead worker overseeing, assigning, and reviewing the work activities of other Physical Therapy Aides.

NOTE: Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.
Implements physical therapy programs established by the registered Physical Therapist.

Regulates and guides patients with range of motion, stretching and strengthening exercises to maintain and/or increase joint and muscles ranges.

Provides hydrotherapy and/or whirlpool treatments to help circulation and relaxation.

Provides infrared and ultraviolet treatments to promote healing of ulcers, acne, etc.

Provides ambulation training to assist patients in attaining maximum mobility.

Gives muscle rubs, massages, and other muscles treatments.

Guides crutch and gait training, and applies training braces.

Assists the medical staff in measuring and fitting devices.

Assists in repairing and reconditioning braces and wheelchairs.

Trains and instructs nurses and other nursing care providers in minor physical therapy treatments.

Keeps required patient records and prepares reports.

Attends in-service training programs.

Performs related work as assigned.

**Additional Job Duties**

**Physical Therapy Aide 9**

Coordinates work by scheduling assignments and overseeing the work of other Physical Therapy Aides.

Oversees and assures the work quality and quantity for a specific work area by directing the employees’ adherence to methods and procedures.
