Dear Senate Employees:

If you have health insurance coverage through your Senate employment and are planning on receiving your flu vaccine at a State of Michigan worksite clinic, you will be required to pay \$34.00 (payable by cash or check to MC VNA Wellness).

Your health insurance cannot be directly billed by VNA for a flu vaccine administered at a State of Michigan worksite clinic.

Worksite clinics are not open to spouses or dependents. A flu vaccination may alternately be obtained through your health provider's office or a participating local pharmacy (co-pays may apply).

Thank you,

**Employee Benefits Division
