MEMORANDUM

TO: Local and Intermediate School District Superintendents and Public School Academy Directors

FROM: Carol Wolenberg, Deputy Superintendent

SUBJECT: Quarterly ARRA Section 1512 Report due July 5, 2013

The next American Recovery and Reinvestment Act (ARRA) Section 1512 quarterly report is due July 5, 2013. The Section 1512 reporting must be completed quarterly in the Michigan Electronic Grants System (MEGS) for all active ARRA grants. The Section 1512 Report is required if a recipient had an active status as of April 1, 2013, for the ARRA School Improvement grant.

The Section 1512 Report (which shows up as a FY 2009/2010 application) will be available in MEGS on June 13, 2013. The reporting period for this quarter’s report is April 1, 2013, through June 30, 2013. The application status has been set to “Report Due” for those required to complete the report. Complete the report by initiating an amendment to your existing ARRA Section 1512 report. If the report shows a status of “Report Accepted,” a recipient is not required to report.

Instructional documents and clarifying guidance for the Section 1512 reporting requirements are available on our website (http://michigan.gov/mde-grants) or within the MEGS Section 1512 application.

It is strongly recommended that you review these documents prior to completing this quarterly report.

In keeping with the increased transparency and accountability requirements of the ARRA, reports submitted pursuant to Section 1512 of the Recovery Act will be made available on the federal recovery.gov website (www.recovery.gov).

Questions regarding the content of this memo may be directed to the Grants Coordination and School Support Unit at (517) 373-8451.
