Mission Statement:

The mission of Star International Academy is to provide its students with quality education that focuses on the Michigan Core Curriculum and international cultures, including the study of a language, culture and history different from one's own. The academy shall provide an education which enables the various ethnic traditions, values, and experiences of students to enrich and nurture one another. Moreover, the Academy shall provide an education of the whole child by integrating the different aspects of children's learning and lives so as to make them more meaningful.
