

Please see below 1 important announcement regarding: 1) Initial Materials Order (IMO) Shipments & Additional Materials Order (AMO) Window Opening.

1) Fall IMO Shipping & AMO Window Opening

Initial material orders for MEAP, MEAP-Access, and MI-Access have begun to ship. Please watch for these materials and inventory them as soon as possible after receipt to ensure your order is complete or to identify what materials may need to be ordered during the additional order window. The additional material order windows for:

- MEAP and MEAP-Access begins on Tuesday, September 25th, and
- MI-Access begins on Wednesday, September 26th.

Also, if your school underwent any grade configuration changes this summer, please ensure that you check your initial materials order for any added grade levels. It is possible that your school may need to order assessment materials for an entire grade level (or levels) during the additional order window. If this is the case, please place your additional materials order as quickly as possible and ensure that all grade-appropriate content area tests are ordered (e.g., fourth grade would require reading, mathematics, and writing).

Questions?

Please email us at BAA@michigan.gov or call 877-560-8378 and select the appropriate option.
