

AAA RESOURCE LEARNING CENTERS

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How AAA RESOURCE LEARNING CENTERS Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

AAA Resource Learning Centers (AAA) mission is to motivate every child with a Love for Learning. AAA will teach them the skills that will help them to achieve academic success for the rest of their lives, and improve their MEAP, ACT, MME, SAT, Terra Nova and other standardized test scores. AAA's program offers 36 hours of instruction in the areas of reading and math for grades K-12. Each student is provided with a snack and juice or milk prior to each tutoring session. Bi-weekly progress reports will be provided to the students' parents and teachers upon request. Additionally, each student will be provided with an assessment test, a review of their strengths and weaknesses with their parents, and an Individual Educational Plan. AAA believes that every child is capable of learning with proper teaching, strategic resources, patience, & motivation. Tutoring sessions last for 2-4 hours.
