

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Academic Aerobics, LLC Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Academic Aerobics, LLC provides individualized (1:1), small group (5:1), and online instruction (24 hours/7 days) for K - 12 students in reading and mathematics designed to increase student achievement. Tutoring sessions are aligned with Michigan Grade Level Content Expectations and High School Content Expectations, 1 - 2 hours per day/2 - 3 times per week. Our goal is to prepare students for the MEAP, MME/ACT, National Assessment of Educational Progress (NAEP) and to compete globally. We identify skills or knowledge gaps by using diagnostic, formative, and summative assessment tools, such as Stanford Diagnostic Mathematics and Reading Tests. Student interviews, parent and classroom teacher input, assessment data, and IEPs/504s (where applicable) are used to develop individual learning plans prescribing instructional delivery, strategies, and interventions to address individual student needs (goals). Our certified highly trained instructors undergo regular professional development. Steck-Vaughn, Pearson, PLATO, and DI curriculum/materials/software are used.
