Commodity Entitlement: \$.2375 for each lunch served in prior school year (2014/2015)

Eligibility for the severe need rate for breakfast and the additional payment (\$0.02) for lunch is determined each year. It is based on the percentages listed below of free and reduced price lunches served relative to the total number of lunches served during the 2013/2014 school year.

Determination of Severe Need Rate for Breakfast:

A building is eligible for the severe need rate for breakfast when forty percent (40%) or more of total lunches served **in that building** in the second preceding school year (2013/2014) were free or reduced price.

Determination of Additional \$0.02 for Lunch:

The entire district is eligible for the additional \$0.02 for lunch when sixty percent (60%) or more of total lunches served **district wide** in the second preceding school year (2013/2014) were free or reduced price.

* Afterschool snacks served in afterschool care programs.
