

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How After School Advantage Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

After School Advantage will provide tutoring services in Language Arts, Mathematics and Science using computer based learning to improve students grades in the classroom and on standardize test. Study Island is a computerized, data driven program that covers the subject areas that are tested on the MEAP, Michigan Merit Examinations, and the ACT test. Students will be able to use the Study Island program during the tutoring sessions and on their home computers through the Internet. Each student will be assessed to create an individualized learning plan for tutoring. There will be 15 tutoring sessions lasting for 2 hours each. The student teacher ratio will be 1-8 during the tutoring sessions. Study Island is a research-based program shown to have a positive impact on academic achievement.
