

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Astute Scholars, LLC Explains Their Tutoring Program, in Their Own Words:

Astute Scholars, LLC provides one-one-one, small group, and online instruction for K - 12 students in mathematics, reading, science, and social studies, one to two hours per day/two - three times per week, or online 24 hours/7 days, with a ratio of 1:1 (one-on-one), 5:1 - 8:1 (small group or computer lab), and 30:1 (online with off-site facilitator). Tutoring is aligned with Michigan Framework (GLCEs/HSCes), preparing students for MEAP, MME/ACT, NAEP, SAT, ASVAB, and more. Accelerated Math/Reader, ACT Readiness Standards, Direct/Differentiated Instruction, Focus on MEAP, Odyssey Math, PLATO Achieve NOW, Study Island and Success for All are used to increase student achievement. We use a variety of assessments (Pearson Benchmark Assessments - diagnostic, formative, and summative), along with student, parent, and teacher input, and IEPs/504s to develop student learning plans (goal-setting procedure), before tutoring begins. Our tutors are highly qualified certified teachers that participate in regular mandatory professional development. Our students have success and strive for excellence! We meet and challenge the needs of all students in all subjects.
