

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

## ***How AVANCEMOS! On-Line Inc. Explains Their Tutoring Program, in Their Own Words:***

---

*The MDE has not edited this description.*

Avancemos! A community-based, student-centered, multicultural/multilingual learning provider, empowers English Language Learners (ELL's) to take ownership of their own learning. Our experience shows that 90% of what we teach or use immediately, is retained and that shared activities are essential instructional tools. These essential instructional tools are aligned with Michigan Grade Level Content Expectations Michigan Curriculum Framework and the individual Local Educational Agency (LEA) curriculum. At Avancemos! learning is accomplished by encouraging ELL's students to undertake projects on a variety of topics while using a range of resources that provide opportunities for authentic learning. All of our tutors and staff are bilingual and /or culturally competent on the educational needs of immigrant families. We service grades K-12 and offer 36 hours of tutoring service. Also we offer ESL and GED classes for parents. Avancemos! will work with the LEA, parents, and the community to help children achieve their maximum potential.
