MEMORANDUM

TO: Local and Intermediate School District Superintendents, Public School Academy Directors

FROM: Carol Wolenberg, Deputy Superintendent *Carol*

SUBJECT: FY 2010-2011 BULLETINS 1011 AND 1014 PUBLISHED

Analysis of the 2010-11 Financial Information Database (FID) data has been completed. We appreciate the effort school district business officials put into providing timely and accurate data to the data collection. Data from the FID are used to fulfill multiple federal and state reporting requirements including the National Public Education Finance Survey, Annual Survey of School System Finances, calculation of indirect cost rates and Maintenance of Effort, distribution of State School Meals funds, and creating various budget transparency charts for publication on the district's website.

Using the FID data, Michigan Department of Education annually publishes on its website the Bulletin 1011-Analysis of Michigan Public School Districts-Revenue and Expenditures and the Bulletin 1014-Michigan Public School Districts Ranked by Selected Financial Data. The 2010-11 versions are now available on the MDE website at: http://www.michigan.gov/mde/0,1607,7-140-6530_6605---,00.html.

For questions related to the bulletins, contact Glenda Rader, State Aid and School Finance, (517) 335-0524 or email: RaderG@Michigan.gov.
