

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How CKL Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Cool Kids Learn is a non-profit organization, providing children with the academic skills and the love of learning they need to succeed in school and life. Personalized tutoring is in small groups (up to 5 students/ tutor) in Reading/Language Arts and Math for K-12th grades, at schools and other community locations. Each student has an individual Learning Plan, working on weak areas. Tutoring is normally twice a week for 90 minutes, after school or on weekends. Parents are consulted before and during the program on needs and progress, in meetings and written reports. Pre-testing helps to find out what is needed academically as well as each student's particular learning style. Tutors are certified teachers, paraprofessionals or educators who have worked with school-age children. CKL currently tutors in 10 states. Over the past five years, 95% of our students have improved their performance, some with gains of up to 40%.
