

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

## ***How CTBC Educational Center Explains Their Tutoring Program, in Their Own Words:***

*The MDE has not edited this description.*

CTBC Educational Center will provide direct instruction through whole group, small group and one-on-one formats. Our approach through small groups (ratio 5:1) and individual tutoring helps each child achieve better understanding in reading and mathematical computations. The students will be assessed on their reading and mathematics skills. A plan of work through supplemental resources will be implemented for that child's specific need(s) by staff. We offer two sessions: 1) a ten week after school session - two days/1.5 hours or 2) three hours on Saturdays - 30 hours of service at minimum. All tutors have completed high school and are qualified to tutor. Our Library and Learning Center houses the computers/printers that are available for students use. Our goal as a learning center is to assure that, not one child will be left behind, by providing the adequate help that is needed.
