TO: Local and Intermediate School District Superintendents, Public School Academy Directors, and Nonpublic School Administrators

FROM: Carol Wolenberg, Deputy Superintendent

Date: February 11, 2009

SUBJECT: Voluntary Recall - Café Favorites Products

Purpose

The purpose of this memorandum is to provide an update regarding Café Favorites voluntary recall of its products, commercial and commodity, produced from July 1, 2008 to January 2, 2009.

Update

On January 18, 2009, the United States Department of Agriculture (USDA) requested that all School Food Authorities (SFAs) receiving commercial products and products made using USDA commodity foods from Café Favorites be held and not served until further instruction was received from Café Favorites and the USDA.

Effective February 6, 2009, Café Favorites issued a voluntary recall of nineteen (19) products, commercial and commodity. Refer to the attached letter from Café Favorites dated February 5, 2009, which contains the products involved with this voluntary recall.

The products that are being recalled have a Julian day code starting from 08183XXX to 09002XXX. The first two digits of this day code refers to the calendar year 2008 and 2009. The next three digits refers to the month and date, July 1 (183) through January 2 (002). Thus, Julian day codes from 08183 to 08366 and 09001 to 09002 are included in this recall. This day code is located on each case above the ingredient statement.

This recall has been voluntarily initiated by Café Favorites as a precautionary measure of possible Listeria Monocytogenes contamination.

Action Needed

Gordon Food Service (GFS) and Van Eerden Food Service have been contacted by Café Favorites. Of the nineteen (19) products recalled by Café Favorites, the following products were identified and distributed to schools by each distributor and have been placed on this voluntary recall. Each product is identified by the item number, which is printed on the outside of the box/case.

<table>

Schools are instructed to immediately examine their inventories and quarantine these products from their respective distributors according to the Julian day codes referenced on the first page of this memorandum. Schools are to complete the enclosed Destroyed Product Checklist from Café Favorites dated February 5, 2009, to document the number of cases quarantined by product code, day code, method of disposition of recalled product, and witness signatures for product that was destroyed. **Schools must complete this product checklist form and return it to Café Favorites in order to be credited for the cases of product destroyed or picked up. The form can be faxed to Café Favorites at 218-685-6506 or mailed to:**

**Café Favorites**
**511 Industrial Part Blvd**
**Elbow Lake, MN 56531**

**Maintain a copy of this form for your records.**

If you have fewer than fifty (50) cases of product, please destroy the product. Product destruction must be witnessed by two (2) people other than those destroying the product. Based on clarification received from a representative of Café Favorites, please place the product in a garbage bag, pour bleach over the product in the bag, and place the garbage bag in a dumpster.

If you have more than fifty (50) cases of product, please contact Café Favorites at 218-685-6500 for pick-up.

-Whole Grain Toastover Individually Wrapped-72096

The products that are being recalled have a julian daycode from 08183XXX-09002. The daycode is located on each case above the ingredient statement.

This recall has been voluntarily initiated due to a precautionary measure of possible Listeria Monocytogenes contamination. Listeria Monocytogenes is an organism which can cause serious and sometimes fatal infection in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea. Listeria infection can cause miscarriages and stillbirths among pregnant women. No illnesses have been reported.
Immediately examine your inventory and quarantine product subject to recall. In addition, if you may have further distributed this product, please identify your customers and notify them at once of this product recall.

If you have fewer than 50 cases of product, please destroy product. Product destruction must be witnessed by 2 people, other than the ones destroying the product. Place product in the dumpster and pour bleach over it.

If you have over 50 cases, please call to set up a time for us to pick it up. 218-685-6500.

You will be credited the cases that are destroyed/picked up.

Please complete and return the enclosed response form as soon as possible.

This recall is being made with the knowledge of the Food and Drug Administration.
