FROM: Michael P. Flanagan, Superintendent of Public Instruction 

SUBJECT: Announcement of 2009-2010 Charter School Planning, Implementation and Dissemination Grant Opportunity

The Michigan Department of Education (MDE) expects to receive from the United States Department of Education (USED) a grant award of approximately **\$7,823,343** for use during the 2009-2010 school year to strengthen the pool of charter school developers in Michigan and support new charter schools. Contingent on final approval of funds from USED (expected in July) three types of subgrants are anticipated:

- 1) Upon notification during June or July 2009 by a qualified Michigan authorizer that a **development team is engaged in final negotiations of a charter contract leading to a Fall 2009 or a Fall 2010 opening**, those teams will be invited to compete for twelve-month planning grants or for twelve-month implementation grants. The competitive grant awards may be approved for up to \$160,000 in planning expenses, and the successful completion of the planning grant qualifies the Public School Academy Program (PSAP) to apply for further first and second year implementation funding of \$150,000 annually.
- 2) **Earlier stage (Public School Academy) PSA developers planning for a Fall 2011 opening** may be eligible to compete for eighteen-month planning grants. These competitive grant awards may also be approved for up to \$160,000 in planning expenses, and successful completion of the planning grant, along with acquisition of a charter, will qualify the PSA to apply for further first and second year implementation funding of \$150,000 annually.
