MEMORANDUM

TO: Local and Intermediate School Superintendents, Public School Academy Administrators, and Nonpublic School Administrators

FROM: Carol Wolenberg, Deputy Superintendent *Carol*

SUBJECT: Child Nutrition Reauthorization 2010: Outreach to Households on the Availability of the School Breakfast Program

The Healthy, Hunger-Free Kids Act of 2010 (the Act), Public Law 111-296, establishes requirements for conducting outreach to households on the availability of the School Breakfast Program (SBP). The purpose of this memorandum is to provide guidance on the implementation of the provision that requires schools participating in the National School Lunch Program to conduct outreach on the availability of the SBP just prior to or at the beginning of the school year.

As instructed in the United States Department of Agriculture's (USDA) Child Nutrition Reauthorization 2010: Outreach to Households on the Availability of the School Breakfast Program, SP 40-2011, the Michigan Department of Education is informing School Food Authorities (SFAs) of the requirement of outreach in an effort to help more children benefit from the nutritious meals served in the SBP.

SFAs participating in the SBP must inform families of the availability of breakfast. A notification of the availability of breakfast must be relayed just prior to or at the beginning of the school year in the informational packets that are sent to each household with free and reduced price meal applications for the new school year. In addition, the schools should send reminders regarding the availability of the SBP multiple times throughout the school year. Schools can provide communication through various means – public address announcements, disseminating printed or electronic material to families and school children. Information about the SBP should be posted on the school's website.
