

CLASS ACT EDUCATIONAL ATHLETIC (EA) SPORTS PROGRAM

New provider for 2011-2012

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How CLASS ACT EDUCATIONAL ATHLETIC (EA) SPORTS PROGRAM Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Class Act Educational Athletic (EA) Sports After-School Program combines mathematics, language arts and science tutoring services with football and basketball training along with mentoring. This program's focus is to motivate the sports-minded student to achieve academically. Class Act EA will use the web-based Study Island Program. This curriculum may be computer-based where a tutor facilitates a group of eight (8) or less students in a classroom setting or with the use of computer-generated worksheets, assessments and study guides in groups of five (5) or less. This program identifies the student's academic deficiencies then provides lessons, reviews and assessments to ensure mastery. Another major component is mentoring. Each tutor will be a sports enthusiast and professionally equipped to teach and reach each student. Class Act EA has a points reward program. During the week, students must complete four (4) hours of tutoring to participate in weekend football or basketball mini camp. Points are accumulated by attendance, performance, behavior, and enthusiasm. Area football and basketball coaches will facilitate the weekend camps.
