Career Educational Experience

I have over 40 years of educational experience that includes 25 years of teaching middle and high school and 9 years as an elementary principal in Romulus Community Schools. These experiences included an emphasis on school improvement and accreditation and work in Title I schools. As a principal, I am most proud of moving my school from Phase 4 Corrective action to becoming a Blue Ribbon recipient in three years.

Relevant Experience

- Field Consultant / Ambassador / Regional Representative – AdvancEd Michigan
- Auditor for the Michigan Department of Education in conducting the Comprehensive School Audits of High Priority Schools
- District coordinator of K – 12 school improvement and accreditation
- 9 years successful experience as Wick Elementary principal
- District Coordinator of K – 12 School Improvement and Accreditation
- 25 years successful teaching experience
- Actively involved in building and district-level committees
- Coordinator of secondary special education programs
