

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

## ***How Developing Math Concepts LLC Explains Their Tutoring Program, in Their Own Words:***

---

*The MDE has not edited this description.*

DMC's instructional approach is aligned with Michigan's Framework of Mathematics and Language Arts standards. DMC's focuses its' lessons on differentiated instructions to encompass the student's different learning styles in order to reach and teach all learners. All tutors are highly qualified in Math or Reading, undergo background checks, have ongoing monthly workshops to reflect on student achievement, and access to focus groups and a mentor teacher to help facilitate learning. Our sessions usually last 3 to 4 months offering a variety of options. We have Saturday programs lasting 3 to 4 hours and in-school sessions usually 2 days 2 hours per day for 3 to 5 months. All students are given pre-test, information assessed, learning plan created from data and shared with all stake holders, academic team focuses on goals generated, then post-test given at end of session. Data (progress ) always shared with all stakeholders.
