**RE: Out-of-School Time Professional Development Opportunity**

The Michigan Department of Education is pleased to announce the Michigan After-school Collaborative (MAC) Conference to be held October 22-23, 2009. The MAC Conference is for Michigan's out-of-school time community including teachers, on-site staff, administrators, child care providers, and parents. The MAC Conference is sponsored by the Michigan Department of Education in collaboration with state and local agencies, associations, and organizations.

The conference emphasizes the importance of integrating services through collaboration among out-of-school time programs, public schools, community agencies, and families. The goal of the conference is to provide participants with a format to discuss current information regarding research studies, collaborative planning, teaching strategies, ideas and techniques, and to affirm the importance of establishing a rich, supportive environment and high-quality services for school-age children and youth, and their families.

Registration is now being accepted at [www.miafterschool.com](http://www.miafterschool.com). Registration deadline is October 9, 2009.
