Text Drag and Drop

Move words into a field to answer the question.

Writing Standard W.2

Write informative texts in which they name a topic, supply some facts about the topic, and provide some sense of closure.

Linde is writing about the flower on her front porch. Move 2 details into the table to talk about the flower.

flower		is red
		is an animal
		is a plant

Text Drag and Drop

Move words into a field to answer the question.

Writing Standard W.2

Write informative texts in which they name a topic, supply some facts about the topic, and provide some sense of closure.

Sam is writing about animals that sleep in winter for science class. Read his paragraph. Move the sentence that best completes his paper onto the line.

Many animals get ready for cold in the fall. First, animals eat a lot of food. Then, they find a safe place to sleep.

Some birds fly to warm places.
It is fun to watch animals play in the snow.
The animals fall asleep for the winter.

Graphic Drag and Drop

Move pictures into a field to answer the question.

Reading Standard RI.1

Ask and answer questions about key details in a text.

A Box of Colors

A box of crayons has many colors. Crayons have been used for a long time. How are crayons made?

The first crayons were black and gray. People used them to draw on stone.

Now a machine makes crayons. It mixes wax and color. Then it shapes the wax. Paper is put around each crayon. Then crayons are put into boxes. Some boxes are small. Some boxes are big.

Page 1 / 2

Move the crayons into the boxes to show the colors of the first crayons.

Drag and Drop

K.CC.2

Count forward beginning from a given number within the known sequence (instead of having to begin at 1).

Mary counts 68 pennies. Then she counts 3 more. Move numbers to the lines to show how Mary counts 3 more pennies.

Matching

Connect items on the left with a "match" on the right.

Reading Standard RF.3b

Know and apply grade-level phonics and word analysis skills in decoding words. Decode regularly spelled one-syllable words.

Connect the matching words and pictures.

Matching

K.CC.4

Understand the relationship between numbers and quantities; connect counting to cardinality.

Hotspot
