*Not all schools received FY 2010 Education Stabilization allocations in both October of 2009 and in February of 2010. The allocations are based on an August pupil count and first year PSAs without an August pupil count were erroneously included in the October 2009 allocations. Those allocations have been reduced. Stabilization allocations are based on an offset of discretionary 22b fund reductions. Some districts who were receiving discretionary Section 22b funds in October 2009 are no longer receiving discretionary funds so they did not receive an allocation in February 2010. Some districts that were not receiving discretionary Section 22b funds in October 2009 are now receiving discretionary funds, so they received an allocation in February 2010 and not in October 2009.

** Pending receipt of an official Grant Award Notice from the U.S. Department of Education.
