The Word Recognition portion of the assessment assesses high-frequency sight words and high-utility functional vocabulary that are relevant to the Functional Independence student population. Assessed words are (1) highly familiar to students, (2) appear frequently in print in students’ daily environments, and (3) measure important vocabulary.

At grades 4-8 and 11, students are asked to select a word that correctly completes a sentence. This task assesses a student’s understanding of the role that word meaning (semantics) and word order (syntax) play in sentence construction. All students – regardless of grade – have three words, or answer choices, from which to choose. Students may have the stem (question) read aloud for them, but not the answer choices.

In the Text Comprehension portion of the assessment, students read or listen to three types of passages: narrative, informational, and functional. Narrative passages are fictional stories, Informational passages present factual information, and Functional passages present information in real-life context or format. Each passage is followed by 7 multiple choice questions.

All passages consist of content and vocabulary that are appropriate for the students being assessed. Students may have any or all of the passages and/or items read aloud to them.

Narrative Passage

Solving a Family Problem

“Mom, please don’t make me babysit Rita today! It’s Saturday and I want to have fun with my friends,” said Kanye. He wanted to go to the movies with Randy and Carmen to see *Robot Destroyer II*.

“Kanye,” his mother said. “I asked you yesterday not to make any plans for this afternoon. I explained to you that I had an urgent appointment with Mr. Daly today at twelve o’clock.” Kanye’s mother was about to leave for work. She owns a computer-repair business, and Mr. Daly is a new client. He was having serious problems with his home computer. Usually Kanye’s mother does not work on Saturdays, but this was an emergency.

Kanye was upset. “I know you asked me to watch Rita, but Randy and Carmen asked me to go see *Robot Destroyer II*, and I already told them I could go. It’s not fair. I’ve been waiting weeks to see this movie and now I have to tell my friends I can’t go. Can’t Mr. Daly wait until Monday to get his computer fixed?” Kanye asked his mother.

Just then Kanye looked over at Rita who was sitting on the couch. She had been listening to her brother and mother argue. She looked sad. Rita thought Kanye was angry with her.

Kanye’s mother said, “I’m sorry, Kanye, but I can’t tell Mr. Daly to wait. I made a commitment to fix his computer. He’s depending on me to help him, just like I’m depending on you now. You promised to watch your sister for me, and now I need you to follow through on what you said. I know it seems unfair to you, but you have a responsibility. You’re Rita’s big brother, and she and I both need you to babysit.”

Kanye thought about what his mother said. He wasn’t happy that he couldn’t go to the movies, but he understood that he couldn’t break his word to his mother. He could always see *Robot Destroyer II* tomorrow afternoon. Besides, babysitting Rita wasn’t so bad. They could play video games together until his mother returned home from work in a few hours.

“Okay, Mom. You’re right. I’ll stay home with Rita.” He put his arm around his little sister and she smiled a big toothy grin. “Have a nice day at work,” Kanye said to his mother.

“All right, dear,” Mother said to Kanye. “You two stay out of trouble while I’m gone. I’ll be home soon, then we can order some pizza for dinner tonight.”
