This booklet contains sample Functional Independence Accessing Print items from previous test administrations. The information contained in this booklet may be used by schools, teachers, and parents as a resource for understanding the content and format of the assessment items. This document is not secure and may be copied and distributed as needed.

Each sample item contained in this booklet is preceded by the Extended Grade Level Content Expectation (EGLCE) code and a brief description of what the item measures. This EGLCE code and abbreviated descriptor is provided as a reference for educators, and does not appear in the student test booklet. The complete set of Michigan’s Extended Grade Level Content Expectations and Extended Benchmarks is located at www.michigan.gov/mi-access.

Since the grades 3-8 assessments are administered during the fall of the school year, only content from the previous grade level is measured on the assessment. For example, items eligible for the Grade 4 assessment will measure Grade 3 EGLCEs.

The table below lists the number of core items administered on the Functional Independence Accessing Print Assessments.

The Word Recognition portion of the assessment assesses high-frequency sight words and high-utility functional vocabulary that are relevant to the Functional Independence student population. Assessed words are (1) highly familiar to students, (2) appear frequently in print in students’ daily environments, and (3) measure important vocabulary.

At grades 4-8 and 11, students are asked to select a word that correctly completes a sentence. This task assesses a student’s understanding of the role that word meaning (semantics) and word order (syntax) play in sentence construction. All students – regardless of grade – have three words, or answer choices, from which to choose. Students may have the stem (question) read aloud for them, but not the answer choices.

In the Text Comprehension portion of the assessment, students read or listen to three types of passages: narrative, informational, and functional. Narrative passages are fictional stories, Informational passages present factual information, and Functional passages present information in real-life context or format. Each passage is followed by 7 multiple choice questions.

All passages consist of content and vocabulary that are appropriate for the students being assessed. Students may have any or all of the passages and/or items read aloud to them.

**Let’s Play Volleyball!**

Today is September 15. Mrs. Smith reminds the class that there are only a few more days to sign up for Washington Middle School’s volleyball club. Later that morning, Lewis and Ruby are walking to their next class together and see this flyer posted outside the school office.

**SIGN UP FOR THE WASHINGTON MIDDLE SCHOOL VOLLEYBALL CLUB!**

Playing volleyball is a great way to stay in shape and to make new friends. There are no try-outs for the club. Everyone who wants to play will be able to join.

**SIGNING UP:** Students can join the volleyball club the week of September 14–18. Students can sign up in the gym after school between 3:00 and 3:30 P.M.

**PERMISSION SLIPS:** Permission slips are available in the school office. They are due to Coach Foley by September 18. Students must have a signed permission slip from a parent or guardian.

**PLAYING TIMES:** The volleyball club will meet on Tuesdays and Thursdays. The first club meeting will be September 22. Club members will play volleyball from 4:00–6:00 P.M.

Don’t forget to bring sweatpants, a t-shirt, and gym shoes to each meeting. Students can use the locker rooms to change.

Coach Clark teaches at Johnson Middle School. He put up this poster in the school gym. He hopes all the students in the school will read it.

To All Students
Many of you like to play sports and exercise. Those activities can help you stay healthy, but you need to stretch, too.

Stretching Before You Exercise
Stretching helps your body get ready for exercise. Stretching before you exercise is called “warming up.” If you do it the right way, stretching might keep you from getting hurt.

Stretching After You Exercise
You should also stretch when you finish exercising. This is called “cooling down.” Have you ever been sore after you exercise? Cooling down can help keep this from happening.

Steps for Stretching
The way you stretch your body is important. Do these stretches in the order shown below:

1. Stretch your back.
2. Stretch the sides of your body.

Amy and Kelly were best friends. Since they went to different schools, they only saw each other on Saturdays. Every Friday evening, Amy and Kelly talked on the phone. They planned what they would do together the next day.

When Amy called Kelly this Friday, Kelly wasn’t home. Amy thought it was strange, but she didn’t think much of it.

When Amy called her friend the next morning, Kelly’s mother answered the telephone.

“I’m sorry, Amy, but Kelly is not home yet,” said Kelly’s mother. “She spent the night at Kim’s house last night. She should be back later this afternoon.”

Amy felt her eyes fill with tears. She wondered if Kelly did not want to be her friend anymore. Amy didn’t know what to think, and she felt crushed.

“Amy, what’s the matter?” asked Amy’s father.

“Oh, Dad. I feel terrible,” Amy replied. “I don’t think Kelly wants to be my friend anymore. She’s spending time with another friend today instead of me.”

“Amy, I know you and Kelly are best friends, but it’s okay to have other friends, too,” Amy’s father said.

“I guess you’re right. I do have other friends at school. But Kelly is my best friend, and I don’t ever want that to change,” replied Amy.

“No way, Amy! You’ll always be my best friend,” said Kelly.
“And so will you,” Amy replied. “Do you want to go roller skating this afternoon?”

“That sounds like fun,” said Kelly.
