Music of Detroit

Motown Record Company is a famous recording label that was started in Detroit, Michigan. The job of a recording label is to find musicians and singers. Then, they work with these artists to record and sell their music. By doing this, recording labels help bring music to millions of people just like you and me.

Berry Gordy, Jr. created the Motown Record Company in 1959. In fact, Gordy was the first African American to own a recording label. Gordy was a great businessman. He found artists with great musical talent and turned them into big stars. He worked with music legends, such as Smokey Robinson, Stevie Wonder, and Diana Ross.

In the beginning, Motown Record Company was a very small business. Gordy bought a house in Detroit, which he named “Hitsville, U.S.A.” This house became his family’s home. It also became the home of Motown Record Company. At first, all of the company’s music was made in the basement of Hitsville, U.S.A. This was where Gordy had built a recording studio. Musicians were welcome to play and record there any time, day or night.

However, Motown Record Company didn’t stay small for long. The music the company made was unique. It had a new and different sound, which people loved. It was unlike anything they had ever heard before. By the 1960s, Motown had recorded 110 songs that made it to the Top 10 on the radio. Motown Record Company sold millions of records. By the 1970s, Motown Record Company was one of the largest recording companies in the world.

Today, people everywhere still listen to Motown music. The sound created at Hitsville, U.S.A. changed popular music forever.

Below is a list of the Extended Grade Level Content Expectations (EGLCE) for each released item found in this booklet. The chart contains the EGLCE code, a brief description of what is measured, and the correct answer for each released item.

Because the assessment was administered during the fall of the school year, only content from the previous grade level was measured on the assessment. For example, items eligible for the Grade 5 assessment will measure Grade 4 EGLCE.

Full descriptions of the EGLCE contained in the chart below are available for review and download at www.mi.gov/mi-access.
