

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

***How Grade A+ Explains Their Tutoring Program, in Their Own Words:***

*The MDE has not edited this description.*

Grade A+ is excited to offer services in the areas of Mathematics and English. We have strategically designed our program around the research based curriculum of “Success For All”. Students are pre-assessed to establish individual goals. Progress in attaining established goals is monitored via bi-weekly progress reports. Post-assessments are administered at the end of each student’s tenure in the program. We offer services in-school, in-home and off-site. Sessions are held 3 days per week; 2 hours per day. Our student to teacher ratio is 1-5:1, 1-8:1, 1-30:1 for non-computer based instruction, computer based instruction and online instruction respectively. Grade A+ employs instructional staff who have teaching certificate in either English or Math; experience as a current or recent teacher; exhibit a passion for achieving pre-established achievement goals for students; have a at least a high school diploma, and pass Grade A+’s instruction exam specifically for subjects taught.

***About This State-Approved Program:***

Subject Areas: English, Mathematics

Grades Served: K-12
