MEMORANDUM

TO: State Board of Education

FROM: Michael P. Flanagan, Chairman 

SUBJECT: Report on Grant Awards

For the past few years the members of the Board have received individual Grant Award Approval Forms for every grant award that has been processed by the Michigan Department of Education (MDE) and approved by me.

In an effort to reduce the amount of work involved to produce the documents, and to reduce the number of pages involved (this month there would have been 24 individual items), staff have "reimagined" their work and developed a spreadsheet containing information on the grant awards that have been awarded since the last Board meeting.

In future months, we hope to enhance the spreadsheet to provide links to the Board approved criteria and a listing of the grant award recipients. Contact the Board Office if you need additional information on any of these grant awards.
